

# Scarf Quiz

You will find below a collection of scarfs collected over the years by Vitor and Cedric.

Your challenge is to identify all the scarfs you see below. You can either do it on your own or in group (Max 3).

For each scarf, you will need to complete the following information:

- From which country it comes from.
- If the scarf represent a specific county/region you will need to specify.
- The name of the scarf. For example "Pathfinder master guide".
- If the scarf has been made for a camporee, you will also need to indicate which Camporee and the respected Theme.

Once completed, please send us back the document by mail. [Newbold.pathfinder@gmail.com](mailto:Newbold.pathfinder@gmail.com)
